FANTASTIC FRAME: BEWARE! SHADOWS IN THE NIGHT

Tiger Brooks and Luna Lopez are two friends who get magically transported into a famous painting and must navigate the streets of New York in 1942 while searching for their neighbor's long-lost son. It's an exciting art adventure, but they must find their way back to the real world before it's too late—or remain stuck in the painting forever.

QUESTIONS:

1. Luna and Tiger land in a painting called Nighthawks, by the artist Edward Hopper. Make up your own story about the people in the painting. Who are they? Do they know one another? Why are they there?
2. What challenges did Luna and Tiger experience in trying to find David in New York City? How did they overcome these challenges?
3. David does not come home with Luna and Tiger. What do you think will happen next to David?
