

WEEK 6 BOOK SUMMARY AND REVIEW QUESTIONS

WE'RE ALL WONDERS

Auggie and his trusty sidekick Daisy eat ice cream, play ball, and go on adventures—just like any other kid. But he isn't always seen that way. Auggie is different. Everyone is different, really. People just have to change the way they look at the world to see that is what makes us all wonders.

QUESTIONS PROVIDED BY PAT SCALES:

1. Take a look at the pictures of Auggie's classmates. Describe each student. How are they all different? What might they have in common?
2. Follow the bird throughout the story. Explain why the bird is in flight at the end of the book when Auggie says, "We're all wonders."
3. Look at the last illustration. Why is Auggie's eye a globe? How does this explain the way he sees? Explain how the book ends with hope.
